Ten Days Research Methodology Course for M.Phil/Ph.D./PDF Scholars in Social Sciences

(1st JUNE 2023 to 10th JUNE 2023)

About the Research Methodology Course

“The highest education is that which does not merely give us information but makes our life in harmony with all existence...” ---- Rabindranath Tagore

The quality of research is long due over the years in India. The University Grants Commission (UGC) and other research bodies framing regulations to maintain quality research in Higher Education Institutions (HEIs) in our country. There is dire need of our HEIs to be placed in top world ranking institutions list. A step forward to look for more scientific innovations and startups and patents are to be filed in India, which is strong base for holding of quality research. A novice research scholars in our HEIs need to be exposure to get top world ranking level research.

Research provides us new domain of knowledge, new theories and laws, solution to a problem and open new areas of thought. Further it has the potential to question and analyze the existing theories in accordance to the present circumstances. Hence it is important for educational professional to be acquainted with the process of research i.e. research methodology. It is worth to mention that research is a systematic process and the knowledge of research methodology help to understand what to do in specific situation. Therefore it is very much important for a researcher to know all the aspects and steps of research process in order to make it systematic to a greater degree and hence, to stop the question to the reliability and validity of his/her work. This Training Course on Research Methodology will make the young researcher familiar with the various aspects, tools and steps of conducting social science research. The participant will be introduced to various methods of doing research. That is quantitative, qualitative as well as mixed method approach. Special emphasis will be given to qualitative approaches like phenomenology, ethnography, ethno-methodology etc.
